

## COLUMBIA GAS OF PENNSYLVANIA HAS SELECTED KINSLEY PROPERTIES TO ACCOMMODATE THEIR NEW 30,000 SQUARE FOOT OFFICE AND SERVICE CENTER.

Kinsley properties will be completing a renovation and addition to an existing building, which will then be leased to Columbia Gas.

After an exhaustive search of available properties, Kinsley Properties worked with Columbia Gas on the analysis of four individual sites over several months. The property at 1600 Colony Drive was selected as the best fit.

1600 Colony Drive is a 10+ acre site, with an existing 17,000 square foot building which will be renovated and expanded to meet the needs of Columbia Gas. The completed new facility will include 24,000 square feet of office space, and 6,000 square feet of warehouse space in addition to a fenced 3.4 acre yard for long term storage of Columbia Gas's construction equipment and materials.

The project is scheduled to start in October 2013.
